Local NWTF Chapter Hosts Successful Event for People with Disabilities

The entertaining and educational field event provided people with disabilities opportunities to experience the outdoors through hands-on learning, fellowship and fun. Those attending the Wheelin' Sportsmen NWTF event learned about hunting, shooting, fishing and many other conservation-related topics.

Wheelin' Sportsmen is committed to providing the disabled with opportunities to get out and enjoy outdoor activities, such as hunting, fishing, bird watching and much more.

About the NWTF: About the NWTF: In 1973 when the National Wild Turkey Federation was founded, there were an estimated 1.3 million wild turkeys and 1.5 million turkey hunters. Thanks to the work of wildlife agencies and the NWTF's many volunteers and partners, today there are more than 7 million wild turkeys and almost 3 million turkey hunters. Since 1985, the NWTF and its cooperators have spent more than \$258 million upholding hunting traditions and conserving more than 13.1 million acres of wildlife habitat.

The NWTF is a nonprofit organization with more than 584,000 members in 50 states, Canada, Mexico and 14 foreign countries. It supports scientific wildlife management on public, private and corporate lands as well as wild turkey hunting as a traditional North American sport.
